All letters of interest must be received on or before **4:00 P.M. (Central Time), Friday, January 4, 2019**

Please note: New or updated prequalification forms must be received before deadline for Letters of Interest.

Phase I Evaluation:

The Department will evaluate the letters of interest and the **current DOT-CS-100 pre-qualification statements** on file for those submitting letters of interest and choose several firms who would make viable candidates from which to invite proposals (**DOT-CS-200 Consulting Services Project Questionnaire**). The factors that will be considered in the Department's evaluation process are:

- a) Past experience in the required disciplines with TDOT and other clients.
- b) Qualification, relevant expertise, ability, and availability of staff to be used in performing the service.

Phase II Evaluation:

The Department will evaluate the **submitted DOT-CS-200 Consulting Services Project Questionnaire** on the following criteria (**relative weight**):

- a) Past experience in the required disciplines with TDOT and other clients. **(20%)**
- b) Number of approved staff for this contract. **(10%)**
- c) Evaluations on prior TDOT projects, if available. **(5%)**
- d) Qualifications, availability, and experience of proposed Acquisition Agents. **(20%)**
- e) Qualifications, availability, and experience of proposed Relocation Agents. **(20%)**
- f) Demonstrated ability to perform the work efficiently and meet schedules without compromising sound professional practices and compliance with the Department's Right-of-Way Manual and the Uniform Relocation Assistance and Real Properties Acquisition Policies Act, 42 U.S.C. § 4601, et seq. **(25%)**

Following Phase II evaluation, the six (6)* firms deemed most qualified by the Consultant Evaluation Committee (CEC) will be recommended to the Commissioner in alphabetical order for Phase III evaluation.

* In instances where five (5) or fewer qualified consultants respond with proposals, the Department may proceed with evaluation and selection if it is determined that the solicitation did not contain conditions or requirements that arbitrarily limited competition.

Phase III Evaluation:

From the list of firms determined by the CEC to be the most highly qualified firms to perform the solicited services, the Commissioner will rank the firms in order of preference. TDOT's Right of Way Division will issue four (4) contracts to the firms deemed to be most highly qualified in rank order in Phase III.

Evaluation proceedings will be conducted within the established guidelines regarding equal employment opportunity and nondiscriminatory action based upon the grounds of race, color, religion, national origin, sex, creed, age, and disability. Interested certified Disadvantaged Business Enterprise (DBE) firms as well as other minority and/or women-owned firms are encouraged to respond to all advertisements by TDOT. For more information on DBE certification, please contact the Civil Rights Office Small Business Development Program at (615) 741-3681.
